Relief Sought and the Basis

26. The discriminatory violations described in this Complaint are not an exclusive list of Defendants Resort Worlds' and Hyatt's ADA violations. Plaintiff requests an inspection of Defendant Resort Worlds' and Hyatt's place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and barriers to access in conjunction with Rule 34 and timely notice. Plaintiff further requests to inspect any and all barriers to access that were concealed by virtue of the barriers' presence, which prevented Plaintiff from further ingress, use, and equal enjoyment of the Commercial Property and the business(es) therein; Plaintiff requests to be physically present at such inspection in conjunction with Rule 34 and timely notice.

27. The Plaintiff, and all other individuals similarly situated, have been denied access to, and have been denied full and equal enjoyment of the goods, services, facilities privileges, benefits, programs, and activities offered by Defendants Resort Worlds' and Hyatt's Commercial Property and the businesses within the Commercial Property; and have otherwise been discriminated against and damaged by the Defendants Resort Worlds and Hyatt because of their ADA violations as set forth above. The Plaintiff, and all others similarly situated, will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendant Resort Worlds' and Hyatt's places of public accommodation in order to determine all of the areas of non-compliance with the Americans with Disabilities Act.

28. Defendants Resort Worlds and Hyatt have discriminated against the Plaintiff by denying him access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of their places of public accommodation or commercial facility, in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302 et seq. Furthermore, the Defendants Resort Worlds and Hyatt continue to discriminate against Plaintiff, and all those similarly situated, by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

29. Plaintiff is without adequate remedy at law, will suffer irreparable harm, and has a clear legal right to the relief sought. Further, injunctive relief will serve the public interest and all those similarly situated to Plaintiff. Plaintiff has retained the undersigned counsel and is entitled to recover attorneys' fees, costs, and litigation expenses from Defendants Resorts World and Hyatt pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

30. A defendant is required to remove the existing architectural barriers to the physically disabled when such removal is readily achievable for their place of public similarly situated, will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendant Resort Worlds' and Hyatt's place of public accommodation in order to determine all of the areas of non-compliance with the Americans with Disabilities Act.

31. Notice to Defendant Resort Worlds and Hyatt is not required as a result of the Defendants Resort Worlds's and Hyatt's failure to cure the violations by January 26, 1992. All other conditions precedent have been met by Plaintiff or waived by Resort Worlds and Hyatt.

32. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to alter the property where Defendants Resort Worlds and Hyatt operate its business(es), located within the Commercial Property, the interiors, exterior areas, and the common exterior areas of the Commercial Property to make those facilities readily accessible and useable to the Plaintiff and all other mobility-impaired persons; or by closing the facility until such time as the Defendant Resort Worlds cures its violations of the ADA.

33. Plaintiff prays for judgment as set forth below.

**COUNT II**  
**VIOLATIONS OF 28 C.F.R. SECTION 36.302(e)(1)**  
(against Defendants Resorts World and Hyatt)

34. Plaintiff adopts and re-alleges the allegations set forth in paragraphs 1 through 33 above as though fully set forth herein.

35. This is an action for violations of the ADA and 28 C.F.R. Section 36.302(e)(1).

36. More specifically, 28 C.F.R. Section 36.302(e)(1) imposes the following requirement: Reservations made by places of lodging. A public accommodation that owns, leases (or leases to), or operates a place of lodging shall, with respect to reservations made by any means, including by telephone, in-person, or through a third party –

(i) Modify its policies, practices, or procedures to ensure that individuals with disabilities can make reservations for accessible guest rooms during the same hours and in the same manner as individuals who do not need accessible rooms;

- (ii) Identify and describe accessible features in the hotels and guest rooms offered through its reservations service in enough detail to reasonably permit individuals with disabilities to assess independently whether a given hotel or guest room meets his or her accessibility needs;
- (iii) Ensure that accessible guest rooms are held for use by individuals with disabilities until all other guest rooms of that type have been rented and the accessible room requested is the only remaining room of that type;
- (iv) Reserve, upon request, accessible guest rooms or specific types of guest rooms and ensure that the guest rooms requested are blocked and removed from all reservations systems; and
- (v) Guarantee that the specific accessible guest room reserved through its reservations service is held for the reserving customer, regardless of whether a specific room is held in response to reservations made by others.

These regulations became effective March 15, 2012.

37. Defendants Resorts World and Hyatt, either themselves or by and through a third party, implemented, operates, controls and or maintains websites for the Commercial Property which contains an online reservations system. These website(s) are located at <https://rwnewyork.com/hotel/> and <https://www.hyatt.com/hyatt-regency/en-US/jfk-rj-hyatt-regency-jfk-airport-at-resorts-world-new-york>, among others. This term also includes all other websites owned and operated by Defendants Resorts World and Hyatt or by third parties to book or reserve guest accommodations at the Commercial Property hotel (“Websites”) The purpose of these websites is so that members of the public may reserve guest accommodations and review information pertaining to the goods, services, features, facilities, benefits, advantages, and accommodations of the Property. As such, these websites are subject to the requirements of 28

C.F.R. Section 36.302(e).

38. Prior to the commencement of this lawsuit, Plaintiff visited these websites for the purpose of reviewing and assessing the accessible features at the Property and ascertain whether they meet the requirements of 28 C.F.R. Section 36.302(e) and his accessibility needs. In each instance, at various points in the reservation process each website indicated that handicap or mobility accessible rooms were available.

39. In each instance the Websites provided insufficient or misinformation regarding accessible features in the rooms or the hotel. Indeed, Plaintiff's room did not contain sufficient accommodations and, consequently, Plaintiff was not able to use the room.

40. In the near future, including as set forth above, Plaintiff intends to revisit Defendant's websites and/or online reservations system in order to test them for compliance with 28 C.F.R. Section 36.302(e) and/or to utilize the websites to reserve a guest room and otherwise avail himself of the goods, services, features, facilities, benefits, advantages, and accommodations of the Commercial Property.

41. Plaintiff is continuously aware that the subject websites remain non-compliant and that it would be a futile gesture to revisit the websites as long as those violations exist unless he is willing to suffer additional discrimination.

42. The violations present at Defendants Resorts World's and Hyatt's Websites infringe Plaintiff's right to travel free of discrimination and deprive him of the information required to make meaningful choices for travel. Plaintiff has suffered, and continues to suffer, frustration and humiliation as the result of the discriminatory conditions present at Defendants Resorts World's and Hyatt's website. By continuing to operate the websites with discriminatory conditions, Defendants Resorts World and Hyatt contribute to Plaintiff's sense of isolation and

segregation and deprive Plaintiff the full and equal enjoyment of the goods, services, facilities, privileges and/or accommodations available to the general public. By encountering the discriminatory conditions at Defendants Resorts World and Hyatt Websites, and knowing that it would be a futile gesture to return to the websites unless she is willing to endure additional discrimination, Plaintiff is deprived of the same advantages, privileges, goods, services and benefits readily available to the general public. By maintaining websites with violations, Defendants Resorts World and Hyatt deprive Plaintiff the equality of opportunity offered to the general public. Defendants Resorts World's and Hyatt's online reservations system(s) serve as a gateway to its hotel. Because such online reservations system(s) discriminates against Plaintiff, it is thereby more difficult to book a room at the hotel or make an informed decision as to whether the facilities at the hotel are accessible.

43. Plaintiff has suffered and will continue to suffer direct and indirect injury as a result of the Defendants Resorts World's and Hyatt's discrimination until they are compelled to modify the Websites to comply with the requirements of the ADA and to continually monitor and ensure that the subject Websites remain in compliance.

44. Plaintiff has a realistic, credible, existing and continuing threat of discrimination from the Defendants Resorts World's and Hyatt's non-compliance with the ADA with respect to these websites. Plaintiff has reasonable grounds to believe that she will continue to be subjected to discrimination in violation of the ADA by the Defendants Resorts World and Hyatt.

45. The Defendants Resorts World and Hyatt have discriminated against the Plaintiff by denying him access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the subject websites.

46. The Plaintiff and all others similarly situated will continue to suffer such

discrimination, injury and damage without the immediate relief provided by the ADA as requested herein.

47. Defendants Resorts World and Hyatt have discriminated against the Plaintiff by denying him access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302(e). Furthermore, the Defendants Resorts World and Hyatt continue to discriminate against the Plaintiff, and all those similarly situated, by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

48. Plaintiff is without adequate remedy at law and is suffering irreparable harm. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendant pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

49. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendants Resorts World and Hyatt to alter the subject websites to make them readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA and 28 C.F.R. Section 36.302(e); or by closing the websites until such time as the Defendants Resorts World and Hyatt cure their violations of the ADA.

50. Plaintiff prays for judgment as set forth below.

**COUNT III**  
**VIOLATIONS OF NEW YORK STATE HUMAN RIGHTS LAW**  
(against Defendants Resorts World and Hyatt)

51. Plaintiff adopts and re-alleges the allegations set forth in paragraphs 1 through 50 above as though fully set forth herein.

52. N.Y. Exec. Law § 296(2)(a) provides that it is “an unlawful discriminatory practice for any person, being the owner, lessee, proprietor, manager, superintendent, agent, or employee of any place of public accommodation, resort or amusement, because of the . . . disability. . . of any person, directly or indirectly, to refuse, withhold from or deny to such person any of the accommodations, advantages, facilities or privileges thereof.”

53. The Commercial Property is a “place of public accommodation, resort or amusement” within the definition of N.Y. Exec. Law § 292(9).

54. Defendants Resorts World and Hyatt are subject to the New York Human Rights Law because they own and/or operate the Commercial Property. Defendants Resorts World and Hyatt are each a person within the meaning of N.Y. Exec. Law. § 292(1).

55. Defendants Resorts World and Hyatt are violating N.Y. Exec. Law § 296(2)(a) in refusing to update or remove access barriers to the Commercial Property, causing the Commercial Property to be inaccessible to Plaintiff. This inaccessibility denies Plaintiff and other disabled patrons the full and equal access to the facilities, goods and services that Defendants make available to the non-disabled public.

56. Under New York’s Human Rights Law, unlawful discriminatory practice includes, among other things, a refusal to make reasonable modifications in policies, practices, or procedures, when such modifications are necessary to afford facilities, privileges, advantages or accommodations to individuals with disabilities, unless such person can demonstrate that

making such modifications would fundamentally alter the nature of such facilities, privileges, advantages or accommodations.

57. Defendants Resorts World's and Hyatt's actions constitute willful and intentional discrimination against Plaintiff on the basis of a disability in violation of the New York State Human Rights Law, N.Y. Exec. Law § 296(2) in that it has failed to remove the existing architectural barriers to the physically disabled when such removal is readily achievable for its facilities at the Commercial Property.

58. The modifications necessary to remedy the discrimination would not fundamentally alter the nature of such facilities, privileges, advantages or accommodations.

59. Defendants Resorts World and Hyatt have failed to take any prompt and equitable steps to remedy their discriminatory conduct. These violations are ongoing.

60. As such, Defendants Resorts World and Hyatt discriminate, and will continue in the future to discriminate, against Plaintiff and other similarly situated on the basis of disability, in the full and equal enjoyment of the goods, services, facilities, privileges, advantages, accommodations and/or opportunities at the Commercial Property under N.Y. Exec. Law § 296(2) *et seq.* and/or its implementing regulations. Unless the Court enjoins Defendants Resorts World and Hyatt from continuing to engage in these unlawful practices, Plaintiff and other similarly situated will continue to suffer irreparable harm.

61. The actions of Defendants Resorts World and Hyatt were and are in violation of the New York State Human Rights Law and therefore Plaintiff invokes his right to injunctive relief to remedy the discrimination. Plaintiff is entitled to compensatory damages, as well as civil penalties and fines pursuant to N.Y. Exec. Law § 297(4)(c) *et seq.* for each and every offense, and is also entitled to reasonable attorneys' fees and costs.

62. Pursuant to N.Y. Exec. Law § 297 and the remedies, procedures, and rights set forth and incorporated therein, Plaintiff prays for judgment as set forth below.

**COUNT IV – VIOLATIONS OF NEW YORK’S CITY LAW**  
(against Defendant Resorts World and Hyatt)

63. Plaintiff adopts and re-alleges the allegations set forth in paragraphs 1 through 62 above as though fully set forth herein.

64. N.Y.C. Administrative Code § 8-107(4)(a) provides that “it shall be an unlawful discriminatory practice for any person, being the owner, lessee, proprietor, manager, superintendent, agent or employee of any place or provider of public accommodation, because of . . . disability . . . directly or indirectly, to refuse, withhold from or deny to such person, any of the accommodations, advantages, facilities or privileges thereof.”

65. The Commercial Property is a place or provider of public accommodation within the definition of N.Y.C. Administrative Code § 8-102.

66. Defendants Resorts World and Hyatt are subject to the City Law because they owns and/or operate the Commercial Property. Defendants Resorts World and Hyatt are each a person within the meaning of N.Y.C. Administrative Code § 8-102.

67. Defendants Resorts World and Hyatt are violating N.Y.C. Administrative Code § 8-107(4) in refusing to update or remove access barriers to the Commercial Property, causing the Commercial Property to be inaccessible to Plaintiff and persons similarly situated. This inaccessibility denies such patrons full and equal access to the facilities, goods, and services that Defendants Resorts World and Hyatt make available to the non-disabled public. Specifically, Defendants Resorts World and Hyatt are required to “make reasonable accommodation to the needs of persons with disabilities . . . any person prohibited by the provisions of [§ 8-107 *et seq.*] from discriminating on the basis of disability shall make reasonable accommodation to enable a

person with a disability to . . . enjoy the right or rights in question provided that the disability is known or should have been known by the covered entity.” N.Y.C. Administrative Code § 8-107.

68. Defendants Resorts World’s and Hyatt’s actions constitute willful intentional discrimination against Plaintiff on the basis of a disability in violation of the N.Y.C. Administrative Code § 8-107(4)(a) and § 8-107(15)(a) in that they have failed to remove/correct the existing architectural barriers to the physically disabled when such removal/correction is readily achievable for the facilities at the Commercial Property.

69. Defendants Resorts World and Hyatt have failed to take any prompt and equitable steps to remedy its discriminatory conduct. These violations are ongoing.

70. Under New York’s Human Rights Law, unlawful discriminatory practice includes, among other things, a refusal to make reasonable modifications in policies, practices, or procedures, when such modifications are necessary to afford facilities, privileges, advantages or accommodations to individuals with disabilities, unless such person can demonstrate that making such modifications would fundamentally alter the nature of such facilities, privileges, advantages or accommodations.
